

OUR UNITY IS OUR SUCCESS

On Thursday, July 31 we delivered our tall stack of petitions to CVS's Corporate Negotiating team. Thanks to a majority of Technicians and Operations Assistants at Redlands signing the petition, CVS got the message that we are united for a strong union contract!

Big Wins from this week:

- 1) We now have a signed side letter acknowledging that **we are professionals!** This is a huge step forward in earning the treatment and compensation we deserve.
- 2) We reached Tentative Agreement on two more articles, which is great progress!
- 3) We also introduced 4 brand new new proposals including:
 - Fair, clear, and consistent discipline process
 - Differentials for employees working outside of their departments
- 4) CVS also agreed to **more dates in September**, and we will be back to the table next week, on August 12, 13, and 14, to continue negotiations.
